Agenda

1. Review and Approval of Admissions for B.Pharm, Pharm.D, and M.Pharm Programs
2. Initiatives to Improve Sports Activities and Infrastructure
3. Recommendations for Introducing Add-On Courses
4. Discussion on Regulations Pertaining to Admissions under Reimbursement Scheme
5. Consideration of Governing Body Members' Recommendations and Suggestions
6. Any Other Additional Functions or Activities

Minutes of the Meeting

- Admissions for all three programs were reviewed and found to be in accordance with university and regulatory norms.
- The committee unanimously approved the admissions list submitted by the admissions office.

- It was proposed to enhance sports facilities by upgrading equipment and allocating a dedicated budget.
- Suggestions included appointing a qualified Physical Director and organizing inter-college tournaments.

- The committee emphasized the need for industry-relevant add-on courses such as Clinical Research, Pharmacovigilance, and Communication Skills.
- Departments were asked to submit proposals for these courses within 15 days.

- Guidelines and documentation required for the fee reimbursement scheme were reviewed.
- The team decided to assign a dedicated staff member to oversee and assist students with the process to ensure timely compliance.

- GB members suggested strengthening industry linkages and career counseling services.
- It was recommended to conduct regular alumni and industry interaction sessions.

- It was agreed to initiate awareness programs and workshops in collaboration with reputed institutions.
- The cultural and NSS committees were tasked with planning one event per semester.

Resolutions

1. The admissions to B.Pharm, Pharm.D, and M.Pharm courses for the academic year are approved as per the submitted list.
2. It is resolved that a budget be allocated for upgrading sports facilities and appointing a Physical Director to enhance student participation in physical activities.
3. Departments are mandated to propose at least two add-on courses by for review and implementation in the upcoming academic session.
